School Information

- Established in 1959, North Salinas High School has a rich history of academic and athletic achievement. Located in California's agricultural Salinas Valley (population of approximately 156,000), many of our students' families work in the fields that feed the country and the world. We are a Title 1 school and every one of our students participates in the free or reduced lunch program.
- NSHS Mission Statement:** North Salinas High School is dedicated to all students becoming a community of compassionate, innovative and flexible thinkers who are prepared to thrive in a complex world with confidence.

Grading System

Schools of the SUHSD are on a **semester** grading system where students can earn up to **5 credits per class each semester** and enroll in at least **6 courses per year**.

In the 2020-2021 school year, schools in the SUHSD adjusted the structure of students' schedules to accommodate for distance learning, and students had 3 classes in the fall and 3 different classes in the spring. For this school year, grades were posted in **four Learning Cycles** where students could earn 5 credits per class each learning cycle.

Per AB 104, students were also offered the option of converting grades from the 2020-2021 school year from letter grades to Pass/No Pass and those interested were provided a window of time to apply.
